

THE BOARD OF DIRECTORS of FIRST RESPONDERS CHILDREN'S FOUNDATION

invites you to support

FIRST RESPONDERS CHILDREN'S FOUNDATION **TOY EXPRESS**

Join us in supporting First Responders Children's Foundation's Toy Express program which will send 250,000 toys to first responder families across the country and spread joy during this challenging holiday season. Help us continue to have a profound impact on first responder families. Toy Express toys are free to first responder families, and sponsorship helps provide a joyous holiday experience for the families of fallen first responders as well as children in first responder communities. This is a wonderful and personal way to show gratitude to our uniformed heroes and their families. All proceeds support scholarships and grants for first responder families who have made the ultimate sacrifice. Your contribution will have a direct and immediate impact on the children whose families have sacrificed so much.

FIRST RESPONDERS CHILDREN'S FOUNDATION

Every day our nation's first responders put their lives on the line to protect our communities. When a child suffers the loss of a parent in the line of duty, the heartbreaking loss lasts forever. First Responders Children's Foundation believes when the ultimate sacrifice has been made, it's our responsibility to meet the need of the children of our fallen heroes & help them achieve their full potential. For nearly 20 years, the Foundation has supported first responders and their families enduring financial hardship due to tragic circumstances by awarding college scholarships to children who have lost a first responder parent in the line of duty and funding programs operated by first responder organizations whose purpose is to benefit children or the communities in which they live.

During the COVID-19 pandemic, the Foundation is meeting the needs of first responders on the front lines who are risking their own health in service to others. To date, the Foundation has:

- Funded 12,946 hotel rooms so first responders don't have to risk exposing their families to the virus.
- Awarded 8,695 grants to first responders with financial hardship due to COVID-19.
- Distributed 656,000 FDA-certified surgical masks to first responder agencies in every state.
- Awarded 118 college scholarships to children of first responders killed or injured in the line of duty.
- Paid for 112 COVID-related funerals for first responders who made the ultimate sacrifice.

Donations have an immediate, positive, and powerful impact on first responders and the children of those who serve their fellow citizens. And, 98 cents of every dollar donated goes directly to programs to serve those in need. Please help us help them.
