

Honor the 25th Commemoration of September 11

Become a National Remembrance Partner

Preserving the stories of courage, sacrifice, and service through **The Path of Remembrance**—an immersive digital commemorative walk that honors the first responders who answered the call on September 11, 2001.

The First Responders Children's Foundation Path of Remembrance, a 9/11 Commemorative Walk is a deeply moving interactive exhibit, symbolizing the arduous path of 1,980 steps taken by first responders to reach the top of the World Trade Center on that fateful day.

This immersive digital experience follows the timeline of that tragic morning, offering accompanying narratives, videos and voice recordings that tell the story of the events that unfolded. It also includes videos of children who have lost a parent on 9/11 or due to 9/11-related illness. These videos will share personal stories of resilience and hope, underscoring the significance of supporting these brave young individuals.

This unique experience is ideally suited for employers seeking to commemorate the day with their employees, or for schools and organizations, looking to share this meaningful event with their communities.
